Armistice Day Observance Well Received

A large crowd gathered in the Campbell High School auditorium Armistice Day to hear Dr. James H. Strayer speak on the theme of "Why I Appreciate Armistice Day." "Citizenship, in peace or in war, requires a high degree of loyalty from our citizens," Dr. Strayer stated. "Loyalty needs to be specific, beginning with the individual in his community."

The pastor of San Jose's Calvary Methodist Church developed his emphasis on loyalty by stating that "expressed on a national scale, it begins to be felt when citizens recognize the necessity of casting their ballots. Otherwise there is danger of a minority group controlling our selection of leaders."

The Armistice Day observance, which was under the direction of Commander Guy Smith of the Legion and President Mrs. Edith Morley of the Auxiliary, was the first attempt of Campbell residents to hold a memorial service in our own community.

During the program musical numbers were given by the high school orchestra and a bass solo was sung by Donald Lev, San Jose State College student. The invocation was given by Dr. Corwin Olds with the Rev. Dennis Kennelly the benediction. An Armistice Day reading by Mrs. Morley was also well received.

Assisting on the program preparations were James L. McBride, general chairman and Forrest Reese.

New Cambrian Fire Station Be Completed By Christmas; Will Serve Large District

The new Cambrian Fire Station, located on San Jose-Los Gatos Road across Casey Road from the Cambrian school, will be ready for its equipment by Christmas, according to the plans being made by the Central Fire District.

This district was formed a short time ago by the efforts of the Cambrian Men's Club with F. A. Coombs taking an active part in the drive to provide adequate fire protection for the area outside the Campbell Fire District. Coombs will be remembered as the owner of the Cambrian Hardware which was twice destroyed by fire, one on February 20, 1945 and the second time on May 8 of 1947.

The new fire station, which will house the pumper and water carrier equipment now being garaged in Steindorf dehydrator, will also include a bunk room, kitchen, day room and service yard. The new station employs four men on a 24-hour basis—24 hours on and 24 off on each shift. The fire fighting force is rounded out by volunteer helpers.

The equipment stationed at the County Central fire district will service the rapidly increasing Cambrian, Union and Campbell areas, outside of the relatively small area served by the Campbell Volunteer Fire Department.

The new fire equipment has a three-way radio installed on the trucks in order that firemen can use radio hookup to receive and give aid to all emergency fire and police forces in the county, thus materially increasing the efficiency of the department. The radio installations are made and maintained as part of the Communica-Department of Santa Clara County, headed by Radio Technician Robert A. Mason.

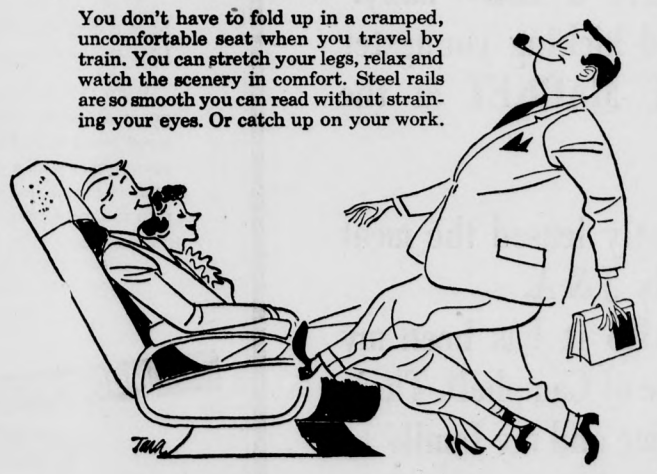
The big advantage of the train is **ROOM**

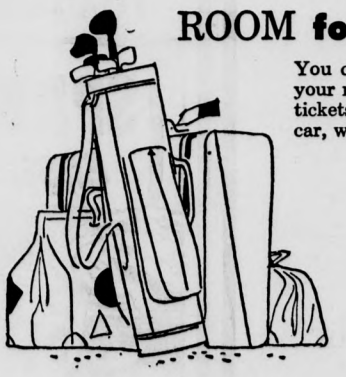
ROOM to stretch your legs
You don't have to fold up in a cramped, uncomfortable seat when you travel by train. You can stretch your legs, relax and watch the scenery in comfort. Steel rails are so smooth you can read without straining your eyes. Or catch up on your work.



ROOM to walk around
You're not confined to your seat on the train. You can get up and walk around whenever you wish. Comfortable rest rooms for men and women in every car.

ROOM to eat
On the train you eat in style at a table, with clean linen, good food and service. You pay no more than you would in any good hotel. In coffee shop cars even less.

ROOM for luggage
You can take a normal amount of luggage into your railroad car with you. In addition, on most tickets, you can check 150 pounds in the baggage car, without charge.



ROOM to sleep
Pullmans have big, comfortable beds—each more than six feet long and three feet wide. Soft mattresses, clean sheets, plenty of blankets. A courteous porter is always on duty to serve you. And when it's windy, stormy and wet, you'll be snug and warm on the train.

Next time, try the train

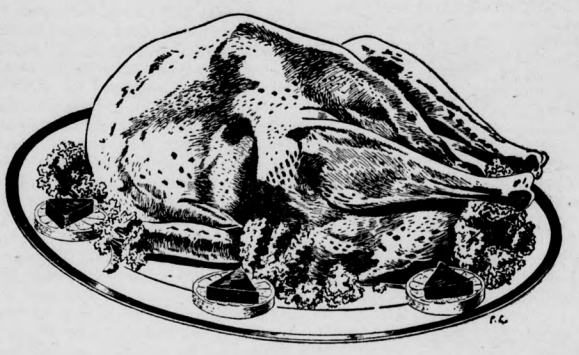
Cooking a turkey?



It's as "easy as pie" with an AUTOMATIC RANGE

Here's how to get the bird ready...

Choose a plump turkey with a smooth, moist skin. Clean. Wash inside and out with warm water. Pat dry. Rub inside with salt...about ⅛ teaspoon to each pound of turkey. Stuff loosely with wild rice or your favorite dressing. Fill chest and cavity first. Draw neck skin over it and fasten with skewer. Then fill body cavity. Place long skewer across body opening and lace shut with strong cord. Use ends of cord to tie legs to tail. Rub skin with unsalted fat. Place turkey breast-side down on V-shaped rack in bright, low-sided pan. Do not cover. Basting is not necessary if you use cooking chart below. To prevent over-browning toward the end of roasting time, cover bird with cloth that has been dipped in melted fat.

...and here's how to cook the bird

San Tomas PTA Plan Christmas Party For School

Members of the San Tomas PTA held their regular meeting Tuesday, Nov. 16 at the school with Mrs. Donald Lukehart, president, presiding over the business meeting.

The resignation of Mrs. Harold Mattix as membership chairman was accepted due to the fact that Mrs. Mattix is no longer a resident of the San Tomas area. It was decided to hold a card party in the near future to raise money for the various projects of the organization. Mrs. Lukehart will act as chairman of the committee. Tentative plans for a Christmas party to be held at the school under the supervision of the room mothers was discussed.

Mrs. Nesbitt, chairman for the day, introduced Mrs. Noble, who is Field Secretary for the Girl Scouts. She gave a very interesting discussion of the Girl Scout organization, after which a movie, "Our Teacher, Mary Dian" was shown. Refreshments were served by the sixth grade mothers.

Mrs. Lula Ethridge of Sunnyside avenue returned Sunday from visiting with her daughter and son-in-law, Mr. and Mrs. Willis Shephard of Albany for a while. The Shephards and son Gerald were overnight guests in Campbell Saturday.

Rev. Spruit To Deliver Sermon

Rev. Herman W. Spruit, son of Mrs. Helen Spruit of Campbell, will be the special speaker at the 10 a.m. Thanksgiving Day worship service at the Methodist Church. Rev. Spruit was a delegate to the Amsterdam Assembly this past summer, and was able to make a study of present conditions in Europe. While in the American sector of Berlin he preached in one of the Methodist Churches to an overflow audience.

Rev. Spruit is the minister of the South Gate Methodist Church in Los Angeles, and he has been in great demand during the past few months in speaking of his experiences in Europe.

Graton Letter from Mrs. Townsend

Mrs. A. B. Townsend from their present home in Graton, Sonoma County, speaks of the beauties of that country in a recent letter to a Campbell resident. She stated that she greatly misses her old friends in Campbell and added that their daughter, Ruth, and family are moving to Oregon for benefit of health of the two small sons.

Mrs. Townsend also wrote of the several delightful visits with Mrs. G. E. Atkinson, now living in Sebastopol, four miles from them. Mrs. Atkinson will be remembered by many Campbellites as the wife of the late Rev. G. E. Atkinson, pastor of the Campbell Congregational Church for many years.

Mrs. Laurance Hill was among the alumnae initiates who took part in the Alpha Chi Omega San Jose State College chapter initiation ceremonies at the Hotel Sainte Claire last Sunday.

Local Team Makes Good In First Game

Maderis Food Center baseball team won their first winter league game by a score of 16-15 over the San Jose Pirates in a close game.

Fran Pura, first baseman, relieved Bob Carle and received credit for the win. Fred Sturla, local catcher hit a long home run for the locals helping the Maderis team come from behind in the first three innings when the score was 8-3. The victory of the team came as a surprise to Bill Maderis, team sponsor, who left early when the score was unfavorable for the local team. The Maderis team will next play the Estralita team of San Jose at the Herbert Hoover diamond.

Following is the box score on the game:

During the council meeting Mrs. J. W. Knowles gave a report on life membership and Mrs. John D. Cantoni reported on unit subscription to State and National PTA magazines.

Luncheon reservations for the next Sixth District meeting to be held Dec. 6 in Hollister, are now being made with Mrs. Fagalde.

Tonight the Campbell Buccaneer football squads travel to Centerville to meet the powerful Huskies of Washington. The 130 team is to meet the Husklets at 6:00 in a preliminary tilt. Although these games are important, every one is looking forward to the Turkey-Day tussle with the Los Gatos Wildcats on the Buc'c gridiron.

There are two games to be played Thanksgiving Day. One, the 130's game, starts at 9:00 a.m. with the Varsity squads scheduled to go into action at 11:00 a.m.

Campbell and Los Gatos are tied for second place and may have a chance for first position. This game will be a fight to the finish.

Leading the Buccaneers will be all-SCVAL candidates Del Ambler, Bob Pracna and Jess Holt. The Cats will be sparked by Ernest Jordon and Dan Short.

The probable starters for the Bucs' in the line are: Jess Holt, LE; Pete Young, LT; Gene Holt, LG; Hal Taylor, C; Arch Duarte, RG; Ron Roeske, RT; Dud Herschbach, RE. In the backfield: Del Ambler, Q; Bob Pracna, RH; Ray Carr, LH, and Bruce Abernathy, F.

Los Gatos starters will be in the line: Andy Lockwood, LE; Nick Bastovan, LT; Jack George, LG; Maelon Wagner, C; Bruce Hageman, RG; Bill Viall, RT; Charlie Bourne, RE; Don Sutton, Q; Dan Short, LH; Jerry Hughes, RH, and Ernie Jordan, F.

Singing for the Rotary Club last Monday was the a capella choir, under the direction of Frank Triena, choir and orchestra instructor. The choir sang this morning for the assembly and will perform again Nov. 22 for the teachers' institution. The orchestra also played for this morning's assembly.

Final scores from the Gilroy-Campbell girls' hockey games were tied in two classes 0-0, with Gilroy winning the final two games, 1-3, 2-0.

Teachers' Institute will be held Monday and Tuesday Nov. 22, 23 during Thanksgiving vacation.

A Rooters' Club has been organized for the Thanksgiving Day football game. Any student may belong to the club, but must wear a white shirt or blouse and rooter's hat to the game. The club's purpose is to keep up the school spirit and develop a better cheering section at the games. If the club is a success, it will be continued throughout the school year.

Yelling with all their might on Tuesday night will be hundreds of students from "old Campbell High." The reason for this yelling is the bonfire rally to be held at 7 p.m. at the High School in preparation for the traditional Campbell-Los Gatos Thanksgiving Day game. A skit will also be presented by the drama class.
